**CERN, status and outlook**, Eckhard Elsen

**What do we know from astronomy about Dark Matter in the Universe?**, Justin Read

**Experimental summary**, Kevin Einsweiler

**Theory vision**, Frank Wilczek

### LHCP ON SOCIAL MEDIA

@LHCPhysics, @LHCPLund,  
#lhcp2016

On Facebook:

<http://www.facebook.com/lhcp2016>

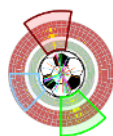

### LHCPHOTOS

Over the course of the weekend, the photos from the conference will be made available on Facebook and on the Flickr account:

<https://www.flickr.com/photos/141781407@N03>

#### EURO 2016

Italy 1 - Sweden 0

Spain 3 - Turkey 0

Czech Republic 2 - Croatia 2

### A SONG TO TAKE HOME

Helan går

Sjung hopp faderallan lallan lej

Helan går

Sjung hopp faderallan lej

Och den som inte helan tar

Han heller inte halvan får

Helan går

(Drink)

Sjung hopp faderallan lej

The whole one goes down

Sing "hup fol-de-rol la la la"

The whole one goes down

Sing "hup fol-de-rol la la"

And he who doesn't take the whole

Doesn't get the half one either

The whole one goes down

[drink]

Sing "hup fol-de-rol la la"

When Sweden's ice hockey team won the 1957 World Ice Hockey Championships in Moscow, not all of the Swedish players knew the lyrics to Du gamla, du fria, the *de facto* Swedish national anthem, so the players sang Helan Går instead. Source: wikipedia

### SEE YOU IN SHANGHAI!

The local organizing committee would like to thank you for visiting Lund and for making this conference a source of LHC news and lively discussion. We wish you a good trip, and see you at LHCP2017 next year!
